MEMORANDUM ENDORSEMENT

Re: *Jocelyn Pierre v. Barolo 214 East Inc., et al.*
Case No. 19-cv-9164-PAE-GWG

Dear Judge Gorenstein:

This firm represents defendant Barolo 214 East Inc. (“Barolo”), in the above-referenced case. We write to provide a status update and request a stay of all deadlines.

On September 21, 2020, we advised the Court that Barolo partially re-opened for outside dining only per New York City guidelines, and that it was unclear if and when Barolo would fully re-open. Plaintiff and Barolo jointly requested a stay of all deadlines to November 20, 2020, and the Court granted the parties’ request.

At present, the public health emergency and New York City guidelines continue to negatively impact the restaurant. Indeed, New York City has experienced new challenges with public health emergency, and the government has imposed new restrictions that require all restaurants, bars and gyms to close by 10 p.m. This has led to drop in business for Barolo by almost 70 percent, and the restaurant is struggling to keep its doors open. Considering these dire circumstances, Plaintiff and Barolo jointly request a stay of all deadlines to January 20, 2021.

This is the parties’ third request for a stay of all deadlines because of the public health emergency. No other dates are affected by this request.
